

1980s English Diamond Band Ring | 18ct Gold | Birmingham Hallmark POA

A beautifully made English band from the 1980s, set in rich 18 carat yellow gold and topped with platinum, forming a channel of eleven brilliant cut diamonds, totalling approximately 0.15 carats.

The stones are set in a single line and edged with delicate millegrain detailing.

Hallmarked with 750, the Birmingham anchor, the ring is a UK size M.

Its low profile makes it an effortlessly wearable piece, ideal as a wedding band, an anniversary ring, or a timeless addition to a modern stacking set.
