

Sri Lankan Sapphire & Diamond Halo 18ct Gold Ring | Chester 1903 POA

A luminous Edwardian sapphire and diamond ring, hallmarked Chester, 1903, and set in rich 18 carat yellow gold. It features five graduated natural Sri Lankan sapphires totalling approximately 0.65 carats, with deep, velvety blue tones and excellent symmetry.

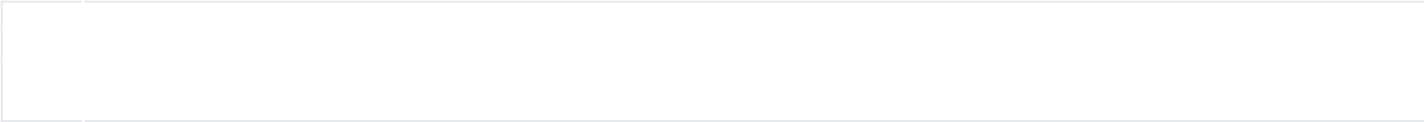

Surrounding them is a glittering border of old cut diamonds, around 1.00 carat in total, set in a classic navette shaped head with elegantly carved shoulders and a pierced gallery to let light shine through the stones.
