

Rolex Datejust Oysterquartz Steel 17000 1990 £5,750.00

Born out of the 1970's quartz revolution, Rolex Oysterquartz has a unique style. Produced between 1977 to 2003 with approximately only 25,000 ever made making this piece super collectable. This one is in almost new condition.

Reference number 17000, it comes with a steel 36mm case, smooth steel bezel, rare porcelain dial with Roman numerals and solid steel Oyster links with folding clasp.

Inside the case is Rolex's calibre 5035 quartz movement

E-serial dating it to 1990
