

**WALKER and HALL Sterling Silver - Silver and Crystal Oil & Vinegar
'Tipper' set
£275.00**

A Walker and Hall sterling silver "Tipper" or "Twins" Oil and Vinegar pourer.

In a slight nod to the Christopher Dresser designs, the tipper works by pouring from one side whilst keeping the opposing side closed.

Item is in excellent condition - used. Some light signs of wear / use, light surface marks and a little detritus in hard to get places within the glass ribs, but no damage.
